" Even ruddy cheeked youth is not more beautiful than the mature vigor of healthy old age. This, however, is not seen so often as it should be, partly because many persons mistakenly suppose that weakness and ill-health ars inseparable from the materity of years.

which acts by increasing the appetite, aiding digestion and putting more iron into the I lood: it has neither the taste nor smell of cod liver oil, but is as pleasant to the taste as a superior table wine. It is as valuable to old per sons as to young ones and many of its most remarkable effects have been chieved with the aged. Get it at your druggists and be sure you get AMUSEMENTS
